Event Description

Now in its sixth year, the annual SemTech Conference represents virtually the entire spectrum of business, government, and consumer activity taking place within the emerging field of semantic technologies. It is the most extensive event ever assembled on the topic.

The mission of the event is to raise awareness and explain the usage of semantic technologies in business and consumer settings.

For the Entire Event and Conference Only options, pay by January 31 and receive a \$400 early-bird discount, pay by March 14 and receive a \$300 early-bird discount, pay by April 14 and receive a \$200 early-bird discount or pay by May 14 and receive a \$100 early-bird discount. Registrations received after June 17 will incur an additional \$100 onsite registration fee.
